Notes

There is currently No Vat charge on any orders, once we become VAT registered prices will not include VAT.

We will do our best to do the work on the requested dates, however, we cannot guarentee bookings, and cannot be held responsible for any losses (actual or consequential) for non attendance.

Dirty Boat surcharge will be applied if your boat is in an unreasonable state at the time of the clean, we'll do our best to contact you, We will continue the work and you will be invoiced accordingly

Email and text messages used instead of leaving tags on vessels (Doing our part to reduce waste)

Pre booked vessel gain priority on given regatta events. So book early to avoid dissapointment.
